

A trusted gateway for cross-border capital.

Deploying capital between North America and Africa — with disciplined diligence and transparent reporting.

7,600+	\$6M USD	5	10 yrs
Entrepreneurs supported	Portfolio managed	Regional hubs	Cross-border experience

INVESTMENT THESIS

Where we deploy capital.

High-growth sectors in markets we know intimately: agri-processing, financial services, health, digital infrastructure, renewable energy, and consumer goods across Canada, the United States, Burundi, DRC, Uganda, and Kenya.

ENGAGEMENT PROFILE

Typical mandate.

Ticket size	USD 100K – 2M+
Sectors	Agri, fintech, health, energy, consumer
Geographies	Canada, US, Burundi, DRC, Uganda, Kenya
Horizon	3 – 7 years

HOW WE PROTECT YOUR CAPITAL

A disciplined, transparent process.

Rigorous due diligence. Multi-point screening covering legal, financial, operational, and ESG risk.

Independent legal structuring. Licensed law firms in each jurisdiction. Investor funds held in regulated accounts.

Cross-border compliance. KYC / AML and source-of-funds procedures aligned with Canadian and pan-African standards.

Reporting cadence. Quarterly portfolio updates, annual reviewed financials, ad-hoc briefings on material events.

Aligned incentives. Modest retainer + performance-linked components. We win when you win.

Exit planning from day one. Every mandate includes a defined exit strategy, reviewed annually.

OUR PROCESS

From intro to deployment in weeks, not months.

- | | | |
|-----------|-------------------------------------|---|
| 01 | Discovery call | 20-min call to understand objectives, risk profile, timeline. |
| 02 | Opportunity brief | 2–3 vetted opportunities matching your thesis, with full diligence packs. |
| 03 | Structuring & compliance | Legal setup, KYC, and cross-border capital movement — end-to-end. |
| 04 | Deployment & reporting | Capital deployed under mandate, with quarterly reporting. |
